

Connie Golleher, CLTC

Educating, empowering, and helping others secure Financial Futures

Connie Golleher is considered an industry expert in disability, long term care and life insurance. She is active in her local community and her industry. She has more than 20 years of diverse experience including extensive expertise working with lawyers and physicians and highly compensated executives.

Connie participates on numerous boards and committees. She is President of Greater Washington Foundation of Insurance and Financial Advisors. She is Board Vice Chair of For Love of Children (FLOC), Board Member of the DC Police Foundation, Board Member of Women Who Care, Committee Member for the Washington Area Women's Foundation, and the American Red Cross "In The Bag" Event.

Connie has authored, or been interviewed for, a number of articles, including articles on securing the maximum Disability Coverage for Lawyers in *Managing Partner* and *Legal Management & ALA News*. She was one of the experts interviewed for a Long Term Care article published in *Money* magazine. She has also been published in *Kiplinger's Retirement*, *Investors' Business Daily*, *Physicians Money Digest*, *Employee Benefit Review*, *Business Review*, *Employment Relations*, and many others.

Connie has been a Radio Talk Show host for two local radio stations, enjoys spending time with family and friends, traveling and reading.
